NET-ZERO Challenge

Committed to a clean future

CONFIRMATION OF PARTICIPATION

Congratulations on joining the **NET-ZERO CHALLENGE**!

This document confirms that DEW Engineering and Development ULC is a participant in Environment and Climate Change Canada's **NET-ZERO CHALLENGE**.

The **NET-ZERO CHALLENGE** is a voluntary initiative that aims to encourage businesses to develop and implement credible and effective plans to transition their facilities and operations to net-zero emissions by 2050.

To remain in the **NET-ZERO CHALLENGE** your company must continue to meet the participation requirements as outlined in the Technical Guide. This will ensure that your company maintains active participation. You may contact the **NET-ZERO CHALLENGE** program directly at any time to seek clarification or guidance.

This document may be updated and reissued with new participant information, as necessary.
